Re: FREEDOM OF INFORMATION ACT REQUEST

To the person processing our FOIA request,

Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552 et seq., I request access to and copies of the forms of records listed below.

Here is what I am looking for:

- records related to the videogame "Six Days in Fallujah" generated from 2004 through 2010

This is why I am requesting the records: I am a representative of a news organization and I have a history of printing material I obtain through FOIA requests on a) MarketWatch's website, marketwatch.com, v) Barron's website, barrons.com, c) in various print other publications such as Barron's magazine operated

by Dow Jones. Through this request, I am trying to learn more about how the CIA engages with videogame companies.

If there are questions about our request: please contact me via my cell phone (listed at the top of the FOIA) or vial email since I am a reporter and this information has news value to the public.

This request is different because I'm a reporter: As a representative of the news media I am only required to pay for the direct cost of duplication after the first 100 pages. I agree to pay reasonable duplication fees for the processing of this request.

Please notify me: if duplication fees for this request are expected to exceed \$25.00. If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees.

I look forward to your reply within 20 business days, as the statute requires.

Sincerely,

(b)(6)

Fee Waiver:
