- BOBA-43329, 29 June 1959
- BOBA-58055, 10 June 1959

1. Reference c. indicated that Erwin JANSEN, born circa 1903 in Silesia, is an active UPSPING agent.

2. Reference b. forwarded to BOB the results of a trace that possibly identifies the female friend who accompanied JANSEN on his 12 May 1959 visit to HELLINI's home. As this Bonn dispatch was not sent to MOB, it is quoted here with so that it may be made a part of the MOB file on JANSEN:

"The BfV advises that a check of the West Berlin registration files (Meldeunterlagen) reveals only one person with Subject's name, one

possibly iden with
Martha *REDNORZ, born *SZYMONIAK
born 14 December 1913 in Berlin. *Person*

Subject registered herself on 20 June 1956 at Berlin-Adow, P. striedlung, Parzelle 69, bei *ANSCHUTZ, coming from Berlin N 4, Bernauerstr 10 (Soviet Sector). On 27 November 1958 she moved back to the Soviet Sector."

Note: There are no BOB traces on this woman.

3. Also for the MOB file on JANSEN is the attached HDC check. This identifies Subject of reference c. as:

Erwin *JANSEN, former name *JAKUBEN
dob: 3 November 1903
pob: Bismarckstrasse, Silesia, Germany
(now Poland)

It is noted that the HDC record confirms the background information given by HELLINI on JANSEN. Any further information obtained by HELLINI on Subject will be sent to MOB. JANSEN's present address is apparently that given in reference d.
