My daughter sent me your address which you had given her some 20 days ago, and, being sure that by this time you have returned from your trip, I take this opportunity to drop you this line and tell you that I would like to have a meeting with you any time after January 12 at your convenience. Kindly send me your telephone number and also the date of our appointment so I can come over to see you. Since Dr. Levon Daghlian is the designated representative between us, I would like to bring him along with me to also act as my interpreter.

Sincerely yours,
