is headed by TSUCHIDA Yutaka.

The above personages are the chief top-level "advisors" of the groups. HORIUCHI Ganjo was at one time very closely identified with these men, but personal animosity towards HORIUCHI grew so greatly in the early spring of 1950 that he and his organization, the Far East Affairs Research Society, are not even part of the UGAKI federation, although many individual operatives from the F.E.A.R.S. have swung over to agencies within the federation, and KODAMA Yoshio and his entire organization have now come under ARISUE's direction.

B. The Chief Operative Agencies.

(1) The ARISUE Kikan

Under the leadership of Lt. General ARISUE Seizo, with overall supervision from KAWABE and TANAKA, the ARISUE Kikan is another loose federation of gigantic proportions roughly divisible into three separate agencies: the WATANABE Kikan, headed by Major General WATANABE Wataru; the HAGI Kikan, headed by Major General HAGI; and recently, the KODAMA Kikan. In addition to these subordinate and sometimes autonomous agencies, ARISUE maintains close liaison with the top level of American intelligence in Tokyo, GHQ, and operates with considerable influence, through his position as advisor to TSUCHIDA Yutaka's committee along with General TANAKA, in controlling Foreign Office and political connections of the WAKI federation, and in the Formosan operations of NEMOTO Hiroshi.

KODAMA Kikan men are principally made up of KODAMA's old Kempei associates such as Colonel KAWAI of the Sorge Case, the NAKANO Intelligence School Clique (wherein KODAMA and IWMAZE Takeo cross wires), and the present Civil Service Board of the Japanese government. Through this latter agency, KODAMA will have considerable to do with influencing selection of the new Reserve Police Force officers.

(2) The IWAAZE-OIKAWA Kikan.

Originally under the overt leadership of Lt. General OIKAWA Genshichi but now under the more active leadership of Lt. General IWAAZE Takeo, (IWABUCHI Goshichi); OIKAWA is deputy for the combined agencies. This group is composed of and led by members of the NAKANO School Clique; IWAAZE was the first director of the Intelligence School at Nakano, and his chief operations officer is Col. KAGAWA Yoshio, former chief intelligence instructor there. There is considerable duplication on the lower echelons with the ARISUE and KODAMA Kikans, but that is chiefly because all adhere to TSUCHIDA Yutaka's National Peace and Independence Committee which serves as a liaison point.
