REF: FJTW-22530, 20 March 1964

1. On 8 May ^{State} ODACID, Japan Desk received the same material we sent to you under reference from [] with a request for comment. The ^{State} Japan Desk's draft reply to [] (a) points out that official involvement is not feasible and sanction of Subject's trip would be similar to inviting a member of Cosa Nostra; (b) questions the qualifications of the author of the proposal for judging such a matter; and, (c) suggests that, should KODAMA ever apply for a visa, the application be treated on its merits alone. We advised ODACID that KUBARK had no interest and concurred in ODACID's view.

^{US Consulate} 2. In due course the ODACID Japan Desk will be advising PBSWING, Tokyo about this, and you may possibly be hearing from PBSWING on it. Evidently ODACID is not aware of the earlier receipt of the materials by KUBARK.

3. At your convenience we would still appreciate hearing any comments you may care to make on the matter, especially any verification that [] and [] are connected with the alleged group.
