

16 March 1959

In a conversation with [] of Security Office of Alien Affairs on 16 March 1959, because of a question raised by [] SR/COF/CK in connection with AEDOGMA/1's PL-110 and travel commitment the following information has been raised.

On 15 August 1952 the DCI signed a memorandum approving the passage for above mentioned agent (and his wife if he should marry) to the USA under provisions of P.L. 110. No slot number was given to the agent as his arrival in the USA was not imminent.

It was also stated by [] FI/OPS that due to the fact that this commitment had already been approved in the former project AEBATH, it was not necessary for FI/OPS to approve, but rather coordinate on the new project AEDOGMA.
