Kurguel, Aleksis - E. C. No. 256388

You will note that the case is now being processed under the new European Case Number of 256388 instead of 256387. This fact is important for identification purposes. FC [], Telephone Hamburg 214901, reports D.P.C. Security Section has completed its tasks and that Kurguel has a "strained chance" of being passed. In case Security decides to pass, he will be called into the Processing Center at Wentdorf in a week or so for final processing.
