Subject: ODEUM - Yugoslav Intelligence Net			Date 1 Dec 52

PERTINENT INFORMATION:

"1. We have checked with ODEUM on the personalities in reference communication (MGKA 9283)...Vladimir LENAC, born 23 Oct 1911, is an agent of ODEUM's Organization 66.

"2. Your information on LENAC is interesting on two counts: the light Washington has shed on his previous activities (and which we feel is probably not entirely known to ODEUM) and his offer to furnish a Yugoslav intelligence network for \$10,000. In view of LENAC's agent status, we wish you would procure for us on a loan basis the report mentioned in your Paras. 3 and 8. []

[] will be in touch with the head of Organization 66 within the near future and will take that opportunity to discuss LENAC and his activities on behalf of ODEUM. We are therefore keeping the attachment to MGKA 9283 for the time being and will forward it together with Keating's findings..."
