PERSONAL

Dear George:

The Director passed on to me your letter of 13 June, particularly the suggestion in the last paragraph.

Neither of us feel we could make any suggestions that you would not already have considered. It may be, however, that we will want to ask some of our people in [redacted] to get in touch with you on particular matters, depending upon how the situation develops this summer. When you get back we will be most anxious to sit down and have a good talk with you.

Meanwhile, I am glad that the [redacted] matter worked out, and if we can be of any help to the Committee in your absence, we shall gladly do so. Gordon Wasson, Frank Altschul and Philip Mosely are all close personal friends of mine.

I am sending this to Princeton to catch you there before you get away. Best wishes for your trip.

Sincerely,

Allen W. Dulles
