Dear Dr. Kissinger:

I understand that you felt I was unethical in my treatment of you. I suspect that we had a breakdown in communications. However, I'm certain that you have no desire to discuss that matter. I am sending along to you for your own information and guidance a piece of hate mail which we received. We have no idea of the sender but if there is some sort of campaign on a federal agency might be able to help.

Sincerely yours,

Gerald Astor

Dear Sir:

Having been around Washington and the Oval Office a long time I and my influential friends are gravely disturbed about Mr. H.A.Kissinger's affiliations with the Zionist Movement.

Mr.Kissinger, the president's White House foreign policy adviser, is in and out of the Oval Office daily and is constantly articulating presidential views. Therefore, we are truly concerned about Mr.Kissinger's loyalty gap.

Enclosed please find a copy of a document confirming Mr.Kissinger's close connections with the Zionist Organization.

Thanking you for your kind interest, and with every assurance of my continued highest regard and esteem, I have the honor to remain

Most respectfully yours,

M.M.H.
