9/15/72

Dear Jim:

Governor Rockefeller has asked me about the possibility of his daughter's family being admitted to the VIP room for viewing the December Apollo launch. This would be for Mr. and Mrs. William Strawbridge and their three children. ~~Can this be done?~~

Kids are 9, 7, 5

Please let my office know. I would be enormously grateful to you.

Warm regards,

/s/

Henry A. Kissinger
