REMARKS <p>Mr. Tate questioned whether I might train a person in ESP, particularly to work against cryptographic material such as authenticators. I told him that I thought there were some unacceptable risks</p> <ol style="list-style-type: none"> 1. We would not be able to contain a developed psychic within the need to know restriction 2. A narrow development of psychic talent tends to unbalance the personality <p>I suggest that only persons developing totally within a deeply religious ethical framework should be used in such research, because they are dedicated to the service of others, and not self-seeking.</p> <p>Do NOT use this form as a RECORD of approvals, concurrences, disapprovals, clearances, and similar actions</p>
