(19) OHNESORGE, Wilmar, approximately 47-49 years old, resides in Saarbruecken at Bozenerstrasse. His rank is not definitely known: the city directory lists him as Gendarmerie-Hauptwachtmeister, but he says he held a Kripo rank. He is married and in addition to his daughter Karen (above) he has one son, age 7. Ohnesorge was previously a member of the Gestapo, possibly in the area around Hamburg. Werner Klemmer stated that in 1938-40 Ohnesorge was one of the top Gestapo officers rated according to capability. He now suffers from this previous association. Ohnesorge is chief of LfV administration and handles all administrative details; all agents report to him as to their whereabouts. He prepares papers for signature by Beck, reviews most of the LfV work to remain abreast of all collection and evaluation efforts to the detriment of his nerves and health. In addition, Ohnesorge is probably custodian of confidential funds.
