MEMORANDUM FOR THE RECORD

SUBJECT: Projects Based in West Germany

At the meeting on 7 March 1952, attended by Lt. General Truscott, Senior Representative in Germany, it was agreed that all projects based in West Germany would be reviewed, first by Gen. Truscott immediately upon his return to Germany, and subsequently by the PRC, with a view to establishing their continued validity in the light of political changes in Germany. Insofar as possible this review would be undertaken prior to the end of Fiscal 1952, and with the clear understanding that no project which would be of significant value

would be eliminated.
