1. Please inform of FCICRO that on 26 June 1957 FRAFFIRM was notified that Subject had been security disapproved for use as a writer of special political, economic and propaganda analyses for FRAFFIRM, which material was to serve as background for FRAFFIRM's planning position papers. The grounds for disapproval were that his "connection with the French Intelligence Service and his possible connection with British and Polish Intelligence Service prohibits his further use by Project QACTIVE."

2. FRAFFIRM was advised further that this disapproval was not intended to prevent the completion by Subject of his present assignment on "Project Activities" or to prevent him from writing one article for FCALLES or being a speaker at that organization's July conference.

3. This information is forwarded for at FRAFFIRM's request. It is requested that knowledge of the reason for Subject's disapproval be limited within FCICRO to and Rudolph N. HAMISH.
