Reference: F-2014-01059

Dear Mr. Leopold:

On 18 March 2014, the office of the Information and Privacy Coordinator received your 17 March 2014 Freedom of Information Act (FOIA) request for **all draft and final talking points and guidance the Central Intelligence Agency prepared for any of its media representatives and agency officials, including DCI John Brennan to address the issues surrounding the Senate Select Committee Intelligence report on the CIA's rendition, detention and interrogation program.**

Our officers will review your request and will advise you should they encounter any problems or if they cannot begin the search without additional information. We have assigned your request the reference number above. Please use this number when corresponding so that we can identify it easily.

You have requested expedited processing. We handle all requests in the order we receive them; that is, "first-in, first-out." We make exceptions to this rule only when a requester establishes a compelling need in accordance with the FOIA, 5 U.S.C. § 552, as amended. Your request does not demonstrate a "compelling need" and, therefore, we deny your request for expedited processing.

Sincerely,

A handwritten signature in black ink, appearing to read "Michele Meeks".

Michele Meeks
Information and Privacy Coordinator
