You tell me what's easiest for you. Could also do earlier -- my appt. at 1:30 will be over by 2. So I could head out your way, unless you are going to be in DC sometime today.

David--so sorry I missed this today! I imagine both your appointments are in DC, so why don't we try to get together after your 1:30? Cynthia

Didi,

Hope you are well on the road to recovery, if not fully recovered....I am around all the rest of the day, so if you wanted me to run out for a cup of coffee I'm happy to meet you. Tomorrow I have a 10 am and a 1:30, but otherwise could make something work. Just let me know what's best for you.

Didi,

Just checking that you are on the road to recovery. Sent you a note yesterday, and when you feel up to it, let's reschedule. I'm around this week; next week is tougher.

cheers,

David - I apologize, but I am sick as a dog today, and I don't think it is wise to be around me and would like to cancel our lunch. I hope you understand.

However, I spoke with the Director over the weekend, and it is clear he would like to talk with you about the book. Would you be able to send over a list of the topics you'd like to discuss with him so he can begin thinking about them? Off the record, he's unavailable for a few days, and it will be next week before we can look to get you on his schedule. But we'll get the scheduling started. Regards, Cynthia
