Hi Didi,

Thanks for this. Will keep Monday Feb 27 open. I assume that's for the Rhodes/Morrell meeting, right?

My usual schedule is that I spend the first couple of days of the week at Havard, and weds-friday in dc. But I can move things around a bit, since I'm not teaching this semester. This coming week I'll be in DC Weds through our Monday meeting, then probably spend two days in Cambridge, then back in DC. But as I said, I've got flexibility. It was just bad luck that I scheduled that Tufts talk for this Tuesday, figuring that was faster than you guys would be ready for me.

cheers,
David

David--things have changed since I sent this. Now looking at Monday, Feb 27 sometime between 10 and 2. Can you keep that open?

Also, please send me some times over the next three weeks--after Tues--when you are available for the Director. We'll get this sorted out, I just know it. Cheers, Didi

David - we are locked down for the WH appointment.

I am consulting with The Gatekeepers on an alternate time. I think we can come up with something. I'll circle back with you.

Cheers, Didi

Friday for ben and Michael is perfect

On the director, if this is the best we should do it. But if there's another option that would simplify life!

Tony will be deeply missed - and he had 2 small kids, which is really painful

I can cancel the talk if you think this is our best shot. But I'll be back in dc weds. morning for rest of week and next weekend. So just let me know what you advise.
