As you know, the President instructed the Director of the Central Intelligence Agency (CIA) to increase significantly the Agency's staffing level as soon as feasible. General Hayden has asked that CIA's Chief Financial Officer (CFO) brief the External Advisory Board (EAB) on

this effort. As an added bonus, I have arranged for you to receive an updated briefing from the CounterTerrorism Center (CTC) on the Agency's

role in the war against terror.

We propose that these briefings take place on the morning of either16 November 2006 or 17 November 2006, depending on which is moreconvenient to the majority of EAB members. Please contact(b)(3)(b)(6)no later than 13 November 2006 to(b)(6)(b)(6)

November or 17 November as the date for the briefings.

Accordingly, we have scheduled the following briefings for EAB members:

0800 hrs - Arrival for EAB members who do not yet possess Agency badges;

0810 hrs - Briefing on ethics and security;

0840 hrs - Arrival for EAB members who already possess Agency badges;

0845 hrs - Review of contracts;

0900 hrs - Briefing by CFO;

1045 hrs - Briefing by CTC;

1200 hrs - No-host lunch in Agency cafeteria (optional).

General Hayden and I regret the short fuse of this request. Throughout, we remain committed to keeping the EAB abreast of the Agency's most pressing developments.

Sincerely,

Senior Councillor to the Director
