HQI-4-11190

Chief of Station, Frankfurt

10 April 1952

Chief, Pullach Operations Base

Operational

SCHWALSCHLAGER, Heinz

Ref: HQI-4-10504

In discussions yesterday with V-7500, the latter stated that Subject had promised UTILITY that whenever he might go back to intelligence work he would do so only for ZIPPER. In the meantime, V-7500 maintains contact with him, not only for possible operational leads in the Vienna area, but for CI purposes, i.e. to discover the non-ZIPPER moths attracted by Subject's shining light.
