TO: Chief, EUR		
FROM: Chief of Station, Vienna		
SUBJECT: GROOVY GRCAMERA		
Reference: DIR 00750		
<p>1. On 13 May I lunched with GRCAMERA and discussed with him the possibilities for an editorial along the lines of reference and previous traffic. GRCAMERA did not commit himself and to-date the desired editorial has failed to appear. Unfortunately, GRCAMERA has now gone on a two to three weeks vacation to Italy and it seems, therefore, likely that he decided not to write anything on the subject. I doubt that anything will come later, but if it does, Headquarters will be informed.</p> <p>2. Of passing interest may be the fact that GRCAMERA was deeply concerned about the NBC program "An Austrian Affair" which was about to be aired over NBC in the USA. We discussed the matter at some length, and I suggested that an opportunity may arise for Identity A to comment to Identity B in a manner helpful to Austrian interests. Identity A had been in Vienna some days earlier, had gone on a trip to FJSTEAL and subsequently was expected to return to Vienna to call on Identity B. GRCAMERA said that he would lay the groundwork with Identity B to raise the subject of the NBC program with Identity A. As it turned out, Identity A never came back to Vienna and GRCAMERA departed on his vacation before the date <del>when</del> we had thought Identity A would return here. I am citing this only to record that GRCAMERA has connections with Identity B, although I doubt that normally they could be or should be exploited for KUBARK purposes.</p>
