MEMORANDUM FOR: The Review Staff
VIA : Deputy Director for Administration
SUBJECT : Senate Select Committee Request
(ARTICHOKE/BLUEBIRD)

1. Reference is made to a 6 October 1975 request from the Senate Select Committee (Review Staff 75/3166) which asked for several Office of Security documents related to Project ARTICHOKE/BLUEBIRD. Reference is further made to additional instructions from [REDACTED] DDA Coordinator, on 4 November 1975 which alter the Senate Select Committee request to the effect that the Office of Security need only provide a copy of a 7 February 1975 memorandum from Mr. Charles W. Kane, which had as an attachment a summary of the ARTICHOKE/BLUEBIRD files.

2. Forwarded herewith are three copies of the requested 7 February 1975 memorandum with attachment. Although referenced request asked that the document be provided in "true name," sanitization has been effected in accordance with established procedure to remove certain names and/or cryptonyms due to operational/cover considerations.

3. It should also be noted that a portion of cited memorandum was declassified by authority of the DCI on 24 July 1975, as indicated on the bottom of the memorandum.
