DISPATCH NO. TBR-W-718

SECRET
CLASSIFICATION

TO : Chief of Station, DATE: 8 October 1948

FROM : Acting Chief, Foreign Branch T

SUBJECT: GENERAL - Operational
SPECIFIC - Otto Skorseny

References: Fran-1216 (Out-13939), Wash-2765 (Out-69071)

1. A report from Frankfurt, Germany, reveals that the subject escaped from Ludwigsberg civilian internment enclosure on the night of July 25, 1947, while awaiting demasification.

2. It is further reported that no letter from Skorseny has been intercepted by either the Combined Intelligence Service (CIS) or the Counter Intelligence Corps (CIC). In any case the CIS is the only agency authorized by the United States European Command to censor German mail. This, of course, does not eliminate the possibility that the letter could have been received in other German zones or European countries from Skorseny; nor does it eliminate the possibility that such a letter might have been intercepted by other Allied intelligence services.
