1. With reference to your memorandum, dated 6 April 1959, File No. 100-409764, this Agency has no objection to your interview of Subject regarding his knowledge of any Soviet infiltration into the Narodno Trudovoi Soyuz (NTS) or any other Russian anti-Communist organization.

2. We suggest that your Bureau's representative bear in mind that our Agency has never authorized Subject to know of the existing relationship between this Agency and the NTS. However, it is entirely possible that Subject has personally made the assumption that the NTS receives some degree of financial support from unspecified elements of the U.S. Government.

3. The files of this office reflect that Subject was a former Soviet Army officer, and Soviet high school teacher and administrator. During Subject's residence in Germany, he was a member of the editorial staff of the NTS newspaper Fogov. Since his immigration to the U.S., Subject has been an activist in local NTS affairs, and he is currently chairman of the North American Branch of the NTS. Our files corroborate Subject's biographic data contained in paragraph 1 of reference and indicate that Subject's Immigration and Naturalization File Number is 2872-779921. Subject's spouse is Alevtina Stepanovna ~~SONDLOV~~ ~~SONDLOV~~ who was born 23 June 1910 at Yaroslavl. Subject has a daughter named Irene.

4. This Agency would appreciate the receipt of the results of the interview with Subject.
