TARBABY to be retained for active exploitation
at this time ^{he is among those} considered high class agent
and will form nucleus for a sound intelligence
group.

TARBABY will prepare and submit regular

5,

semi-monthly reports on financial & economic matters as well as other items of interest he can obtain. Encyclopedic knowledge of all important figures in economics & industrial fields.

Submitted a report from Dr. SEELOS on the Separatist Movement.

Y-2 TS 1965 a, b. LMX-005-1130

→ 16-30 November 1945

TARBABY - now writing report on Bavarian Red Cross.

1-15 November 1945

TARBABY - since well acquainted with members of Bav Red Cross & with Austrian, Swiss and German business leaders, he has now received instructions to keep an eye on the "Separatist Movement".

Has established contact with the Prince of Liechtenstein who makes frequent trips to Vienna, Munich, Salzburg, & into Switzerland.

TARBABY has not been assigned any specific long-term task but is still being retained on an active status because of his excellent contacts and his past services.

LWX-010- 0

Progress rpt. 18 Dec 1945 - 1 Mar 1946TARBABY

Jewish Austrian banker who lived at one time in the U.S., returned to Austria just prior to First WW; interned as an enemy alien during that war; prosecuted under the Nuremberg Racial Law, forced to go on two trips for RSHA in connection with RSHA financial operations.

Progress Rpt 1 Mar 1946 - 31 July 46

TARBABY - still contacted

Progress Rpt August 1946Tarbaby - still maintaining contact

CANZONET = used by SCI branch to locate
valuables accumulated by RSHA with
(SCHWEND)
CAMERA and CAPELLA (WISCHMANN)

HSC/OP3/34

19 March 1947

35. TARBABY

although not strictly an agent, has been utilized as means of meeting other persons. Since entertains a great deal (Germans & US) his postless offers opportunities of meeting people unofficially.

Contacts developed thru him include Major McCarthy of ONGB Property Control Division, Col. LORD of ONGB Property Control, Col. GIDDENS of ONGB Transportation, Major O'Donnell of ONGB Public Safety, Col. RICHARDS of Engineers

Dr. OHRENSTEIN and others.

So far he has not been employed to invite specific German officials, and he has not been paid. If he acts on instructions in future, he will have to be provided with food and liquor. TARBABY is an elderly Viennese Jewish banker and was formerly an American citizen. He is considered trustworthy & pro-American and is decidedly anti-Communist and anti-Soviet. He was first contacted by AB-19 and later handled by AB-43 (Holtzman).

HSC/OPS/53

15 May 1947

AGENTS AND CONTACTS DROPPED DURING MONTH INCLUDE:

CANZONET

Dropped as possible security problem.

FRAN-628 (33751) 27 Jan 48

ODDI EUCOM received letter on SCHWEND who was used on bird-dogging ops in Moni from July to Nov. 45.

claims G. SPITZ, Munich Jew, aided SCHWEND in persuading Americans not to prosecute SCHWEND for Nazi activities.

HGM-A-365 24 Feb. 48

SPITZ, at present being investigated by Dutch and Belgian authorities due to his wartime air looting activities, is living in Munich and possibly in touch with SCHWEND.

Is engaged in questionable financial deals and in minor scale black market operations and is quite friendly with high-ranking officers of ONGB.
