To Whom It May Concern:

This is a request under the Freedom of Information Act. I hereby request the following records:

This request is made under the Freedom of Information Act.

I hereby request a copy of an FOIA request (and processing notes) for information and records on Mary Ferrell. I do not have a reference number for this request, which I believe was made in the last two years.

This request was mentioned in the CIA's Jan. 7, 2015, rejection of a separate FOIA request I faxed to the CIA on Nov. 23, 2014, for information and records on Mary Ferrell.

The reference number for FOIA request I submitted, and which was rejected, is F-2015-00493.

I believe the FOIA request I am seeking at this time triggered a Mandatory Declassification Review.

Mary Ferrell was a Dallas woman who amassed a large amount of material about the assassination of President Kennedy and other events. Her full name was Mary Elizabeth McHughes Ferrell. She passed away in 2004. This is a link to her obituary, which was published in The Dallas Morning News:

I also request that, if appropriate, fees be waived as I believe this request is in the public interest. The requested documents will be made available to the general public free of charge as part of the public information service at MuckRock.com, processed by a representative of the news media/press and is made in the process of news gathering and not for commercial usage.

In the event that fees cannot be waived, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 20 business days, as the statute requires.

Sincerely,

John Kirsch
