COMMENT:

1. Due to the shortage of personnel of local security authorities, as well as lack of policy, the influx of compromised Balkanites to Rome continues. The contingent of Hungarians include such former Hungarian diplomats (accredited to MUSSOLINI's Fascist Republic) as General SZABO, Lt. Col. PUY, and Press Attache PALL, and also an international figure, Geza NEUWIRTH.
2. Action against these former agents and potential security threats is strongly recommended. All of the above named have recently been released from Allied internment camps.
3. We will take no executive action until traces are received from Washington upon which arrests and interrogations may be carried out.
