1. A sensitive source abroad has reported the following information concerning Timothy and Rosemary LEARY:

A. Timothy and Rosemary LEARY have been residing in Switzerland since circa 10 May 1971, and the LEARYS plan to remain there "in hiding" for some time before moving on. The LEARYS have also expressed a desire to move eventually to Chile or to some country like it. Chile is the LEARYS first choice since, as a socialist country, it might be receptive to them and since they would like to live in the mountains;

B. Upon the LEARYS arrival in Zurich, Switzerland, (exact date not known), Timothy LEARY called his American Lawyer, Mike KENNEDY, and indicated that "all the arrangements had been made in Switzerland", (no further details) and that he (LEARY) would not be continuing on to Denmark for his speaking engagement scheduled for 12 May 1971;

C. Rosemary LEARY's physician, Dr. Alan MARGOLIS, has sent a letter to the LEARYS at an unknown Swiss address advising them that Rosemary's operation is of a routine nature and could be done by any qualified gynecologist-surgeon. Source speculated that Rosemary would have her operation in Switzerland;

D. Mike KENNEDY, an attorney in the San Francisco Bay Area who has been involved in the LEARY's affairs, was instrumental in effecting the release of Timothy LEARY from the control of Eldridge CLEAVER and the Black Panther Party (BPP) in Algiers. KENNEDY reportedly arranged a deal with CLEAVER whereby LEARY would be released after a large sum of money was donated to the BPP in Algiers. KENNEDY was able to negotiate LEARY's release
