MEMORANDUM FOR RECORD

SUBJECT: Operation HENNE

50/S/B provided further data on persons involved in this GV G operation, which data he personally acquired through conference with GV G, and which he states is all he has been able to determine to date:

- a. V-9134 -- he is a special connection of UV NB, a former Legationsrat. In contact with V-9109, identity unknown.
- b. V-9109 - this is Herbert GASCH. He is Chief, UV NB (possibly MB). He runs V-9134, and served as introducer in putting V-9134,2 in touch with V-9134,3.
- c. V-9134,2 - TRISKA (data in name check)
- d. V-9134,3 - BERMAN(N) fnu. He is a personal acquaintance of 50/S/B, I gather from certain comments, probably resides in WIESBADEN. He currently represents the firms KLOECKNER & Co and GLUCO as salesman for metal products, but his contracts with these firms expires on 31 October 1953, whereafter he will be a private businessman. He is to enter business with the Hungarian delegation chief - provided he can find a market for tomato paste the Hungarian wants to sell. V-9134,2 will introduce him to Hung.
