File No. 6570

WESLEY C ALDRICH
Chief of Operations

CIC REG-NO 99E

TO CO, 430th CIC FROM Sub-Det "C", DATE 30 Dec 52 COMMENT 2
Attn: Opns 430th CIC Ekstrom/at

1. Attached is A/R V-32769, dated 30 Dec 52, subject: "VAETH, Walter Paul", in answer to the request contained in Comment 1, above.
2. In view of the low evaluation placed on the information in A/R L-27051, and because the local investigation failed to reveal any confirmatory information, it is not believed that SUBJECT can be considered a threat to the security of USFA. If, as stated by the British, VAETH is still a Nazi at heart, it is reasonable to assume that he would visit former Nazi friends. However, unless additional information is available to support the allegation that SUBJECT is involved with a West German intelligence organization, it is recommended that this case be closed for lack of sufficient CI interest.
