SIST. DEPARTMENT 43; REPEATED INFORMATION MOSCOW 23.

As informed that Swedish Government will announce this evening Russian reply to Swedish representations re Wallenberg case. Reply states that following exhaustive investigations report doctor of Lubyanka wrote Minister of Security in July 1947 has been discovered stating Wallenberg had died. Doctor was instructed to have his body cremated. Reply states doctor dead points out many wrongful acts of minister for which he since executed and deeply regrets affair

Foreign Office has no clear evidence Wallenberg alive after 1947 and is inclined to believe Russian story since Russians did not know Swedes lacked clear evidence of Wallenberg's whereabouts after 1947. They point out how extraordinary it was for Russians to admit having held Wallenberg after so many details.
