DISPATCH NO. 11880

~~SECRET~~  
CLASSIFICATION

TO : Chief, Foreign Division

DATE: 4 APR 1951

FROM : Chief of Station, Karlsruhe

SUBJECT: GENERAL-Operational

SPECIFIC: KERENWAY, HUNGARY

1. KX-4 talked in Salzburg with USACE, and reported that KERENWAY, an important figure of long standing with Gen. Heinz ZARO, in both ZARO's EMPT and intelligence operations, has broken with ZARO. The break is allegedly the result of dissatisfaction with ZARO's method of handling intelligence operations and choice of associates.

2. KERENWAY's space is to be filled by a former Hungarian col. (fnu) ALISSY, said to be about 50 years old and living in Munich. ALISSY is supposed to have arranged a meeting between ZARO and Otto HANSEN.

3. KERENWAY is believed by KX-4 to have either already taken or direct contact with AIS, or trying to establish such contact.

4. All this information, of course, has no connection with any previous USACE material, and is obviously so much mere chaff from the local rumor mill. It would be of value here to hear from you whether you consider this type of gossip tidbit of enough value to justify your time spent in handling it.
