From: Zsolt Aradi

According to authority received from You and from the chief of the Hungarian Desk I have been sent several times to Rome for ^{two} operational personnel. At the same time I had order and got authority to make expenses for maintaining operational personnel. I received from Casarta, through 2nd Lt. Nicholas Doman and through OSS Rome Office 10,000 /ten thousand/ Lire. Later other expenses had to make and I covered this expenses from my own salary.

Because at October 1st I have to send money to my family I can not wait longer and therefore attached 1/ the account of the expenses already made, and 2/ a plan for the next days expenses.

At the same time I would be very glad if authorities of OSS Bari would take knowledge that it was in question only full authorized expenses.
