

Bari, September 26th 1944.

To: Chief SICE and Chief Hungarian Desk SICE  
From: Zsolt Aradi

Before leaving OSS Bari 2nd Lt Nicholas Doman, former Chief of Hungarian Desk SICE made to me several statements, which are closely connected with the activity of SICE and with my person. Though this statements had no official character, nevertheless came from an US Army Officer and employee of OSS.

To avoid any mistakes in this utmost important activity of OSS, and to avoid that my person should involved in political questions and personal querrels I would be very glad if I had the possibility in short way finally clarify all the statements which has been made (not the first time) by Lt. Nicholas Domán.
