Dear Phil:

Zsolt Aradi, who formerly was associated with us, is now in the United States and is looking for a job. As you may recall, he is a fairly well known Hungarian journalist who has since the war travelled widely throughout Western Europe and knows many people there. I think that you might find it worth your while to talk with him and at least to advise him. We here would be appreciative if you could give him the courtesy of an interview.

Sincerely,
