Dear Mr. Doar:

This is in response to your letter to me of 2 March 1974, your letter to Mr. Colby of 1 March 1974, and Chairman Rodino's letter to Mr. Colby of 26 February 1974.

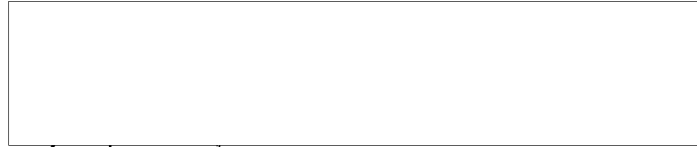

The individuals listed in the enclosure to Chairman Rodino's letter have been cleared for access to documents and information within the custody or control of this Agency which have been classified as national security information up to and including Top Secret. I will be discussing with you the arrangements for physical storage of these documents.

We are furnishing an initial installment of documents relevant to the task of the House Judiciary Committee under H. Res. 803. These documents, which will be delivered to you today, represent material previously furnished to other congressional committees and to the Office of the Special Prosecutor. We are assembling additional documents which have recently been made available to the above-named staffs, and these will be forwarded to you.

We shall be pleased to be of any assistance your staff might wish as it begins to review and analyze these documents.
