MEMORANDUM FOR THE RECORD:

Subjects: Robert Sharon ALIEN

[Redacted]

Paul J. SCOTT

[Redacted]

1. On 23 October 1962, [Redacted] called and asked if we had any record of the subject persons whom she said were connected with the "Northern Virginia Sun." [Redacted] indicated that they may want to be contacting them.

2. After reviewing the files of the subject persons, I indicated to [Redacted] in general terms that there was derogatory information on both of these persons and that before any permission could be given to talk to them that we might have to send the case as high as Col. Grogan's Office or higher.

3. [Redacted] thanked me for the information and said she may be calling later.
