MEMORANDUM FOR THE RECORD

SUBJECT : SENNETT Equipment Test, Miami, Florida,
August 1971

The following details concerning the [redacted] arrange-
ments for Subject tests were provided by Chief, OC/SPD,
[redacted], during a telephone conversation with
the undersigned, 7 May 1973.

[redacted], now retired, formerly assigned to
OC/SPD/SEO, was the [redacted] for the August 1971 Field
Test of the NSA developed SENNETT Equipment. Security
arrangements for the test were handled on behalf of OC/SPD
and the [redacted] visitors by [redacted] in conjunction with the
WH/Miami Security Officer, who was [redacted]
at the time. [redacted] was in daily contact with the [redacted]
[redacted] Miami Police in the course of his official liaison
duties.

[redacted] was reluctant to call [redacted] at home
over an open telephone line to inquire about the specifics
of the [redacted] arrangements at this point, and suggested
that the WH Miami Security Officer by this time might have
been transferred back to Headquarters and be available for
a direct query.

The writer called [redacted] DIV/D Security
Officer, who verified the fact that [redacted] indeed is
stationed at Headquarters, with a current assignment to a
[redacted] located in the Chamber of Commerce
Building. [redacted] is available via the following tele-
phone connections:

[redacted]

The above details were provided by telephone to [redacted]
[redacted] Chief, Division D at 1650 hours this date.
