

**US State Dept Travel Advisory**

The US Department of State currently recommends US citizens exercise normal precautions in Grenada. Consult its website via the link below for updates to travel advisories and statements on safety, security, local laws, and special circumstances in this country.

Passport/Visa Requirements

US citizens should make sure their passport will not expire for at least 6 months after they enter the country even if they do not intend to stay that long. They should also make sure they have at least 1 blank page in their passport for any entry stamp that will be required. A visa is not required, although Grenada requires travelers to have evidence of return/onward travel arrangements.
