

THE GAMBIA

INTRODUCTION

The Gambia gained its independence from the UK in 1965. Joining Senegal, it formed a short-lived Confederation of Senegambia between 1982 and 1989. A new constitution and presidential election in 1996, followed by parliamentary balloting in 1997, completed a nominal return to civilian rule.

GOVERNMENT

Chief of State

President Adama BARROW

Head of Government

President Adama BARROW

Government Type

presidential republic

Capital

Banjul

Legislature

unicameral National Assembly (58 seats)
