## Travel Facts

### US State Dept Travel Advisory

The US Department of State currently recommends US citizens exercise normal precautions in Slovenia.

### Passport/Visa Requirements

US citizens should make sure their passport will not expire for at least 6 months after they enter the country even if they do not intend to stay that long. They should also make sure they have at least 1 blank page in their passport for any entry stamp that will be required. A visa is not required as long as the stay is less than 90 days in each 180-day period.
