Cultural Practices

It is common practice to remove one's shoes before entering someone's home. Sri Lankans generally socialize before a meal. It is best not to arrive to a Sri Lankan's house feeling hungry as you may not eat until a few hours later. Try to accept any refreshments offered, as refusing them is considered impolite.

Tipping Guidelines

Tipping 10% is customary in restaurants; if a service charge is included, leave a few extra rupees. Tip bar staff 100 rupees as you leave. Conventionally, 50-100 rupees is a good tip for hotel staff, including porters, room cleaners, and room service personnel. Tip taxi drivers 10% of the fare.

Carved masks, precious gems, teas, spices

Traditional Cuisine

Kottu roti — roti (a round flatbread) is placed on a grill and chopped and combined with additional ingredients including spices, vegetables, eggs, cheese or meat
