Passport/Visa Requirements
US citizens should make sure their passport will not expire for at least 6 months after they enter the country even if they do not intend to stay that long. They should also make sure they have at least 1 blank page in their passport for any entry stamp that will be required. A visa is not required as long as the stay is less than 90 days. If you know you will be in country for more than 30 days, register with Mongolian Immigration within 7 days of arrival.
