

ZAMBIA

INTRODUCTION

Multiple waves of Bantu-speaking groups moved into and through what is now Zambia over the past thousand years. In the 1880s, the British began securing mineral and other economic concessions from various local leaders and the territory eventually became known as Northern Rhodesia. The name was changed to Zambia upon independence in 1964.

GOVERNMENT

Chief of State

President Hakainde HICHILEMA

Head of Government

President Hakainde HICHILEMA

Government Type

presidential republic

Capital

Lusaka

Legislature

unicameral National Assembly (167 seats)

Ambassador to US

Ambassador Lazarous KAPAMBWE

US Ambassador

Ambassador Michael C. GONZALES

GEOGRAPHY

Area

Total: 752,618 sq km

Land: 743,398 sq km

Water: 9,220 sq km

Climate

tropical; modified by altitude; rainy season (October to April)
