Passport/Visa Requirements

US citizens should make sure their passport will not expire for at least 6 months after they enter the country even if they do not intend to stay that long. They should also make sure they have at least 1 blank page in their passport for any entry stamp and or visa that will be required. A visa is required. US citizens will need to get in touch with the country’s embassy or nearest consulate to obtain a visa prior to visiting the country.
