Cultural Practices

Turks and Caicos are home to friendly and welcoming locals, so it's important to show them respect and avoid any behavior that could be considered offensive.

Tipping Guidelines

Check your bill to see if a 10% service charge has been added. If so, you may supplement it by 5% or even more if service was outstanding. If no service charge has been added, then tip as you would in the US, about 15%. Be aware that when a large party dines together, a hefty service fee may be added at the end. Taxi drivers expect about a 10% tip.

Souvenirs

Handmade baskets and plaited straw hats, hand-screened cloth, ocean-themed wood carvings including wooden boats and models, conch shell items, sea glass and other beaded jewelry, wind chimes, rum, ceramics

Traditional Cuisine

Cracked Conch — conch meat pounded with a meat tenderizer, seasoned, coated in a flour batter, and then deep fried.
