

LATVIA

INTRODUCTION

Several eastern Baltic tribes merged in medieval times to form the ethnic core of the Latvian people (ca. 8th-12th centuries A.D.). The region subsequently came under the control of Germans, Poles, Swedes, and finally, Russians. Latvia reestablished its independence in 1991 following the breakup of the Soviet Union.

GOVERNMENT

Chief of State

President Egils LEVITS

Head of Government

Prime Minister Krisjanis KARINS

Government Type

parliamentary republic

Capital

Riga

Legislature

unicameral Parliament or Saeima (100 seats)

Ambassador to US

Ambassador Maris SELGA
