## Tajikistan

### US State Dept Travel Advisory

The US Department of State currently recommends US citizens **DO NOT TRAVEL** to Tajikistan due to COVID-19. Exercise increased caution in Tajikistan due to terrorism. Consult its website via the link below for updates to travel advisories and statements on safety, security, local laws and special circumstances in this country.

### Passport/Visa Requirements

US citizens should make sure their passport will not expire for at least 6 months after they enter the country even if they do not intend to stay that long. They should also make sure they have at least 1 blank page in their passport for each entry stamp/visa that will be required. A visa is required. US citizens will need to get in touch with the country's embassy or nearest consulate to obtain a visa prior to visiting the country.

If travel originates from a country without an Embassy of Tajikistan, it is possible for a traveler to purchase a visa upon arrival at the airport; however, the traveler will need to first apply for a visa online with the Tajikistani Ministry of Foreign Affairs (MFA), receive a pre-approval confirmation, and a Letter of Invitation from the US Embassy Dushanbe prior to arrival.
